THE HAIR GROUP CIRENCESTER PRICE LIST GUIDE

Just a few notes relating to our price list. If you are unclear about anything please do not hesitate to contact us at the salon for clarification.

We are required by law to do a skin test for ALL CLIENTS. You are required to stay in the salon for 30-45 minutes and the skin test must be done at least 48 hours prior to your appointment.

Consultations are required for all new colour clients. This also applies for returning clients if you have not been in for more than 6 months or if you require a complete change.

Deposits: A deposit of 50% of the colour cost will be required for all colour appointments.

CANCELLATIONS – We have a 48hr cancellation/rescheduling policy. Anything within this period will result in a loss of deposit or a charge against your client account.

**We will only colour hair on clients 16 and over.
Children's Appointments - We offer children's appointments Tuesday to Friday.**
